FUND OVERVIEW

The fund aims to achieve a return on investment, through capital and income returns on its assets, which reflects the return of the S&P 500 Equal Weight Index.

KEY BENEFITS

- 1. Provides exposure to 500 stocks from top US companies in leading industries of the US economy [UP2]
- 2. The Index measures the performance of securities within the S&P 500 Index (Parent Index) with each security being equally weighted within the Index at the rebalance date
- 3. Exposure to companies in the S&P 500 with a greater weighting in the smaller market capitalization companies

iShares plc, iShares II plc, iShares III plc, iShares IV plc, iShares V plc, iShares VI plc and iShares VII plc (together 'the Companies') are open-ended investment companies with variable capital having segregated liability between their funds organised under the laws of Ireland and authorised by the Central Bank of Ireland.

Further information about the Fund and the Share Class, such as details of the key underlying investments of the Share Class and share prices, is available on the iShares website at www.ishares.com or by calling +44 (0)845 357 7000 or from your broker or financial adviser. The indicative intra-day net asset value of the Share Class is available at <http://deutsche-boerse.com> and/or <http://www.reuters.com>. A UCITS ETF's units / shares that have been acquired on the secondary market cannot usually be sold directly back to the UCITS ETF itself. Investors who are not Authorised Participants must buy and sell shares on a secondary market with the assistance of an intermediary (e.g. a stockbroker) and may incur fees and additional taxes in doing so. In addition, as the market price at which the Shares are traded on the secondary market may differ from the Net Asset Value per Share, investors may pay more than the then current Net Asset Value per Share when buying shares and may receive less than the current Net Asset Value per Share when selling them.
