INVESTMENT OBJECTIVE

The investment objective of the Fund is to provide exposure to mid capitalisation securities across developed market countries.

INVESTMENT POLICY

In order to achieve this investment objective, the Fund will seek to track the performance of the Index, before the deduction of the TER and other Fund expenses, as further described under "*Fees and Expenses*" in the Prospectus. It will do so by using an optimisation / representative sampling approach and invests in a representative selection of equity securities which, taken together, are expected to have risk and performance characteristics similar to those of the Index.

The Index is designed to provide exposure to mid capitalisation securities across developed market countries.

PROFILE OF A TYPICAL INVESTOR

It is expected that investors in the Fund will be informed investors who: (i) have taken professional advice and who understand (and are able to bear) the risk of losing their investment; and (ii) can accept the levels of risks associated with investing in global equity markets and in particular investing in mid capitalisation securities across developed market countries.

RISK FACTORS

Investors are referred to "*Risk Factors*" and Schedule II of the Prospectus and should consider all relevant risk factors prior to investing in the Fund. Investors should consider, in particular those relating to Shares, Index Tracking-Related Risks, Equity Risk and Micro, Small and Mid-Capitalisation Companies Risk.
