### Key Risks

The value of your investment may go down as well as up and past performance does not predict future returns. Investor capital may be at risk up to a total loss. The Fund is exposed to market movements in a single country or region which may be adversely affected by political or economic developments, government action or natural events that do not affect a fund investing in broader markets. The value of an investment in shares will depend on a number of factors including, but not limited to, market and economic conditions, sector, geographical region and political events. The Fund may have exposure to a small number of investments or have exposure to a few countries, industries, sectors of the economy or issuers. This can make the share price of the Fund fluctuate significantly.

Xtrackers is an undertaking for collective investment in transferable securities (UCITS) in accordance with the applicable laws and regulations and set up as open-ended investment company with variable capital and segregated liability amongst its respective compartments.

Investors must buy and must usually sell shares in Xtrackers UCITS ETFs on a secondary market with the assistance of an intermediary (e.g. a stockbroker) and may incur fees for doing so. In addition, investors may pay more than the current net asset value when buying shares and may receive less than the current net asset value when selling them. Before making any investment decision, investors should refer to the Risk Factors in the Prospectus and Key Information Document.

Tax treatment of the Xtrackers UCITS ETFs depends on the individual circumstances of each investor.

Xtrackers is incorporated in the Grand Duchy of Luxembourg, is registered with the Luxembourg Trade and Companies' Register under number B-119.899 and has its registered office at 49, avenue J.F. Kennedy, L-1855 Luxembourg. DWS Investment S.A. acts as the management company of Xtrackers. The Investment Company may decide to terminate the arrangements made for the marketing of this fund.

Complete information on the Fund, including all risks and costs, can be found in the relevant current prospectus.
