Key Risks

The value of your investment may go down as well as up and past performance does not predict future returns. Investor capital may be at risk up to a total loss. The Fund is exposed to market movements in a single country or region which may be adversely affected by political or economic developments, government action or natural events that do not affect a fund investing in broader markets. The value of an investment in shares will depend on a number of factors including, but not limited to, market and economic conditions, sector, geographical region and political events

Xtrackers (IE) plc is an undertaking for collective investment in transferable securities (UCITS) in accordance with the applicable laws and regulations and set up as open-ended investment company with variable capital and segregated liability amongst its respective compartments.

Investors must buy and must usually sell shares in Xtrackers UCITS ETFs on a secondary market with the assistance of an intermediary (e.g. a stockbroker) and may incur fees for doing so. In addition, investors may pay more than the current net asset value when buying shares and may receive less than the current net asset value when selling them. Before making any investment decision, investors should refer to the Risk Factors in the Prospectus and Key Investor Information Document.

Tax treatment of the Xtrackers UCITS ETFs depends on the individual circumstances of each investor.

Xtrackers (IE) plc is incorporated in Ireland with registered number 393802 and has its registered office at 78 Sir John Rogerson’s Quay, Dublin 2, Ireland. DWS Investment S.A. acts as the management company of Xtrackers (IE) plc. The Investment Company may decide to terminate the arrangements made for the marketing of this fund

Any investment decision in relation to a fund should be based solely on the latest version of the prospectus, the audited annual and, if more recent, un-audited semi-annual reports and the Key Investor Information Document (KIID), all of which are available in English upon request to DWS Investment

About Xtrackers by DWS

DWS Xtrackers Exchange Traded Funds (ETFs) initially launched in 2007 as a specialist in swap-based index replication. Following a period of rapid growth, the Xtrackers ETF platform subsequently evolved into one of Europe’s largest providers of physical replication ETFs. We have continually developed our ETFs to provide investors with a comprehensive set of quality investment tools for efficient portfolio allocation.

Today Xtrackers ETFs are listed on eleven stock exchanges globally and have over EUR 282 billion¹ in UCITS assets under management (AUM) making Xtrackers one of the largest European-headquartered provider of ETFs by AUM²

There are over 250 Xtrackers ETFs available, covering a wide range of asset classes and investment exposures.

Xtrackers central tenet is to provide a broad range of efficient, high quality index trackers for our investors.
