General Disclosures

Before investing, obtain and review the current prospectus (available in English), Key Information Document (KID) (available in English) and any applicable local offering document. These documents, as well as the sustainability-related disclosures, the annual and semi-annual reports and the articles of incorporation, are available free from your financial adviser, your J.P. Morgan Asset Management regional contact, the fund's issuer (see below) or at www.jpmam.ch.
A summary of investor rights is available in French at https://am.jpmorgan.com/ch-fr/droits-des-investisseurs. J.P. Morgan Asset Management may decide to terminate the arrangements made for the marketing of its collective investment undertakings.
JPMorgan Asset Management (Switzerland) LLC herewith informs investors that with respect to its distribution activities in and from Switzerland it receives commissions pursuant to Art. 34 para. 2bis of the Swiss Collective Investment Schemes Ordinance dated 22 November 2006. These commissions are paid out of the management fee as defined in the fund documentation. Further information regarding these commissions, including their calculation method, may be obtained upon written request from JPMorgan Asset Management (Switzerland) LLC, Dreikönigstrasse 37, 8002 Zurich.
This material should not be considered as advice or an investment recommendation. Fund holdings and performance are likely to have changed since the report date.
To the extent permitted by applicable law, we may record telephone calls and monitor electronic communications to comply with our legal and regulatory obligations and internal policies. Personal data will be collected, stored and processed by J.P. Morgan Asset Management in accordance with our EMEA Privacy Policy www.jpmorgan.com/emea-privacy-policy
For additional information on the sub-fund's target market please refer to the Prospectus.
Risk Indicator - The risk indicator assumes you keep the product for 5 year(s). The risk of the product may be significantly higher if held for less than the recommended holding period.
The ongoing charge is the charge used in the EU PRIIPs KID. This charge represents the total cost of managing and operating the fund, including management fees, administrative costs, and other expenses (excluding transaction costs). The breakdown of costs are the max as detailed in the fund's prospectus. For more detailed information, please refer to the fund's prospectus and the PRIIPs KID available on our website.

Performance information

Source: J.P. Morgan Asset Management. Share class performance is shown based on the NAV (net asset value) of the share class with income (gross) reinvested including actual ongoing charges excluding any entry and exit fees.
The return of your investment may change as a result of currency fluctuations if your investment is made in a currency other than that used in the past performance calculation.
Indices do not include fees or operating expenses and you cannot invest in them.
The benchmark is for comparative purposes only unless specifically referenced in the Sub-Funds' Investment Objective and Policy.

Holdings information

Risk is the ex-ante standard deviation shown as a proportion of the total grouping ie: theme, region and asset class.
VaR is a means of measuring the potential loss to a Sub-Fund due to market risk and is expressed as themaximum potential loss at a 99% confidence level. The holding period for the purpose of calculating global exposure is one month.
